

## **Departure from Ottawa**

Transportation at the end of the Joint Assembly will be provided from downtown Ottawa to the Ottawa International Airport, VIA Rail Train Station, and Greyhound Bus Terminal on July 7<sup>th</sup> for all of those who requested transportation on their registration form.

Please check the departure schedules at the end of this transportation notice. If your flight, train or bus does not appear on the lists, you are asked to check in at the Information Desk at the Joint Assembly by noon on Friday July 5<sup>th</sup> to confirm your departure time. If you have any questions regarding departure transportation, please contact the onsite Information Desk.

On July 7<sup>th</sup>, a chartered bus service will transport delegates to the airport for arrival approximately one to one and a half hours prior to your departure time. The first bus, starting at noon, will depart from the Ottawa Convention Centre main entrance and go directly to the airport. All other buses or vans on the schedule will start at the OCC and make a loop around to the six assembly hotels to pick up passengers. Spaces are limited by bus capacity. **Please plan to be at the pickup location at least 10 minutes prior to the planned departure time.**

Departure times on the schedule are from the OCC starting point. LAC volunteers will be at each of the hotels to assist you with the bus pickup. Those with international departures from the airport should allow additional time and should identify themselves as such at the Information Desk.

On July 7<sup>th</sup> a special luggage room will be available at the OCC (Room 212) for those departing from the OCC.

Delegates departing outside the scheduled time frame will be responsible for their own local transportation arrangements.

## **Other Transportation in the City of Ottawa**

Taxi service is also available from the airport, train and bus stations for those not requesting transportation services. Car rental agencies are located at the airport.

In addition, city buses (OC Transpo at [www.octranspo.com](http://www.octranspo.com)) provide regular service between the downtown area (Mackenzie King Bridge at the south side of Rideau Centre) and the Ottawa International Airport (#97) and the VIA Rail Train Station (#95) between the hours of 5 a.m. and midnight. Cash fare for a one way trip is \$3.30 (no change provided). On July 1<sup>st</sup>, all OC Transpo buses are free.

Bus service to and from the airport (#97) operates every 10 to 15 minutes and takes roughly ½ hour of travel time. Bus service to and from the VIA Rail station (#95) operates every 5 to 10 minutes and takes roughly 10 minutes travel time. All assembly hotels are within a 10 to 15 minute walking time of the Mackenzie King stop. The University of Ottawa is directly on the transit way and has its own Campus stop.
